Terminal Disclaimer

The terminal disclaimer filed on January 4, 2002 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of US patent # 6,639,612 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

Claims 1-27 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claim 1, in addition to the other limitations of the claim detecting a drag event for a checkbox onto which a user drags the pointer and toggles the status of the checkbox for which a drag event is detected.

With respect to claim 8, in addition to the other limitations of the claim detecting a drag event for a checkbox onto which a user drags the pointer and toggles the status of the checkbox for which a drag event is detected.

With respect to claim 10, in addition to the other limitations of the claim detecting a drag event for a checkbox onto which a user drags the pointer and toggles the status of the checkbox for which a drag event is detected.

With respect to claim 17, in addition to the other limitations of the claim detecting a drag event for a checkbox onto which a user drags the pointer and toggles the status of the checkbox for which a drag event is detected.

With respect to claim 19, in addition to the other limitations of the claim detecting a drag event for a checkbox onto which a user drags the pointer and toggles the status of the checkbox for which a drag event is detected.

With respect to claim 20, in addition to the other limitations of the claim detecting a drag event for a checkbox onto which a user drags the pointer and toggles the status of the checkbox for which a drag event is detected.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
